## 2017 LRB FIXTURES

During 2016 our Sisters of Mersey were a force to be reckoned with, finishing the year sitting two places higher in the UKRDA rankings (now 17th) and having kept their place in Tier 2 at the British Championships. Our Yellow Shovemarines had an impressive 2016, finishing the season undefeated and crowned Queens of the North at our first mini tournament.

Don't miss out on any of the action this year. Keep in touch and up to date at [www.liverpoolrollerbirds.co.uk](http://www.liverpoolrollerbirds.co.uk)

## SKATER PROFILE

# BECKY RUCKUS #105

Likes – Art, Rik Mayall and vintage clothes

Ruckus is officially the most lovely Bird. She has about 50 jobs which even she can't keep track of and is an amazing artist and all round talented little beast. She is a coach to our Yellow Shovemarines and can pick an analogy for anything out of the air ("Move like your mum is shouting at you" when telling us how quickly to reform a pack) and knows exactly how to get the best out of them. She's an integral part of the Sisters of Mersey, moving round the track like a little velociraptor, ridiculously flexible and bendy. She must put superglue on her toe stops, always managing to stay in bounds when it doesn't seem possible. Our superstar jammer who works so hard at everything she does, we're so proud she's training with Team England, nobody deserves it more.

## SKATER PROFILE

# INTOXIKATE #993

Likes – Cheese, tequila and Dexter (her dog)

It seemed like IntoxiKate appeared from nowhere, one day we were all training and there she was, being amazing and beating us all up. She is a fast and stealthy jammer for the Shoves, whose fast feet and slinky moves make her a difficult person to catch for long. She's also a brilliant and agile blocker who is everywhere all at once, getting in your way and using her twinkle toes to support and bolster walls. She's got the naughtiest game face ever and gives us a knowing look through perfect winged eye liner (which is always pristine, it's like magic) before she gets off through the pack. Deffo one to watch for the future.

## NEXT LRB REFEREE INTAKE SESSION 25TH FEBRUARY 2016

Do you want to join Liverpool Roller Birds support crew?

In addition to players, we are always looking to recruit referees, NSOs (Non-Skating Officials), and volunteers! No previous experience is required.

Refing is a great way to become involved in the sport whilst avoiding contact. All genders are welcome and our experienced coaches will teach you everything you need to know. Join us to learn how to skate, how to officiate, and how to be boss (in the literal sense!).

We also need our NSOs to keep us in check! They track penalties, keep score, time the penalty box and more.

Interested? Contact us to find out more.
